903 Main Street  
1064 Main Street  
208 Blue Road  
43 Academy road

**To: MMS, MA, HLC**

Dear parents,

These are the roads in the order the buses will travel. All buses will leave the yard at approximately 6:40 to arrive at the middle school and the Academy to unload at 7:30 and then onto HLC to unload. You may call me for pick up times. They will all be approximate. Until we actually run the runs we will not know exact times. However after the second week we should have all the issues resolved if any and you should be able to set your clocks by the buses. In the mean time I ask for your patience and understanding.

Thank you in advance,  
Katie Spear
